

Midland Children's Rehabilitation Center (MCRC) is hiring! Our amazing non-profit, pediatric therapy center currently has an opening in the Speech Department for a **Speech Language Pathologist**. The ideal candidate will possess a Master's degree in Speech/Language Pathology and Certificate of Clinical Competency from the American Speech-Language-Hearing Association, or be eligible for application upon completion of Clinical Fellowship Year. The individual must meet current legal requirements of licensure as an SLP within the State of Texas. The individual will ideally have 2+ years of pediatric experience, but CFs will be considered as well. Part-time and full-time applicants are encouraged to apply.

Responsibilities will include but are not limited to:

- Evaluating pediatric patients
- Developing goals and treatment plans based on evaluation
- Administering speech therapy treatments to pediatric patients
- Documenting patient status and progress, communicating regularly with parent/caregiver.

For those that qualify, MCRC offers a comprehensive benefits package including medical, dental and vision insurance, 401K, a generous holiday and PTO schedule, and support for continuing education. MCRC is an at-will employer and provides equal employment opportunity without regard to race, color, sex, religion, national origin, age or disability. MCRC conforms with all applicable federal and state laws, rules, guidelines and regulations and provides equal employment opportunity in all employment and employee relations.
