At Midland Children's Rehabilitation Center (MCRC), miracles are happening and lives are being changed! For over 60 years, MCRC has provided pediatric rehabilitation services to children in our community with special needs **at no cost to their families**. This cannot happen without your support. We invite you to celebrate 60 years of miracles at the 8th Biennial Steers and Stars Gala at the Petroleum Club of Midland on Saturday, February 24, 2018.

Please join us for this black tie event featuring cocktails, dinner, a live auction and dancing. Once again, Bill Engvall of the well-known TBS series "The Bill Engvall Show" and contestant on "Dancing with the Stars" is scheduled to host the evening as Master of Ceremonies. Many of your favorite trips along with new and unique auction items will be up for bid making it an evening of miraculous possibilities for MCRC and the children. MCRC is supported entirely by foundation grants and individual donations like yours. The Center does not charge for its services, nor does it receive any state or federal funding. All proceeds from Steers and Stars 2018 will go directly to MCRC to help fund two years of operational expenses and to support critically needed therapy services. Through your generosity, we hope to raise enough revenue to continue to support children already receiving services at MCRC and to accommodate as many of the children on the waiting list as we can. Currently there are over 50 children waiting to receive therapy.

On behalf of Midland Children's Rehabilitation Center, we are excited to offer you several sponsorship opportunities for the 8th Biennial Steers and Stars. To ensure inclusion in the invitation, please return the enclosed sponsor card by December 15th. Payment can be made in 2017 or January 2018.

We hope you will join us to celebrate the steps these wonderful children are making towards a bright future. YOU can make miracles happen and change the lives of children and their families in the Permian Basin... one step at a time.

Sincerely,
